Mrs. R Medley  
Headteacher

Mr. C Eaglestone  
Deputy Head

Mrs. A Jones  
Assistant Head/SEN

It's been another exciting week at Bayards Hill with many teachers attending numerous training and CPD events and Y4 taking part in a healthy lifestyle workshop. I have just watched England defeat Panama 6-1. I hope you enjoyed the game as much as I did and have made the most out of the tremendous weather. This week is forecast to be hot so please make sure your child has applied suncream before school and brings their hat with them. Also this week, KS1 will take part in Headington World Sports day and I am looking forward to seeing you all this Saturday at the Summer Fair (12:00- 3:00).

Best wishes

Mr. Eaglestone

## TEACHING AND LEARNING

On Friday, Year 4 took part in a workshop experience focusing on what constitutes a healthy lifestyle. Children enjoyed taking part in a range of activities, including the functions of organs in the body and where food comes from. After this the children had a fitness session, going around in circuits. We were able to experience a range of exercises - such as boxing and World Cup football! We finished off by discussing the science behind the day and reflecting on how we could incorporate our new knowledge into our daily lives. It was a thoroughly enjoyable morning!

## MEET THE STAFF Mrs. Fiddaman NQT Mentor

Although I trained as a secondary Maths teacher, in a former life I was headed for a career in music. I studied music at uni in Oxford, and then went on to complete a Masters degree in performance on the clarinet alongside working as a church organist and choral director in Manchester. Despite loving what I was doing, it was Maths tutoring in local schools that gave me a real buzz, so I switched paths and embarked on a new career in teaching. It's been brilliant to be at Bayards full time this year and I'm really excited to be part of the journey with this fantastic school community.
