Governor's

I'm sure that a few weeks into the new school year the summer holidays feel like a distant memory. It's a scary thought that Halloween is on the horizon and that soon we will be crowding in the hall for the Christmas Fair!! I hope that parents, members of staff and children have all settled back into the routine of school life. The first full Governors meeting of the academic year has already taken place and one of our main aims over the coming months is to improve communication between ourselves and parents. Work is moving ahead to revamp the Governor section on the school website. These improvements will include personal profiles of all Governors, details of our roles and news and updates about our interaction with the school. We hope to heighten our profile by becoming a regular fixture at events such as the Parent Forum and using the new TV information screens at reception and by the school gates for updates. Since Bayards became part of the Community Schools Alliance Trust (CSAT) and the arrival of Ms Medley as Head Teacher the school has made great strides in improving areas such as attendance and behaviour. This is a real cause for celebration and such positive changes have been achieved thanks to a successful partnership between staff, pupils, and parents. We know that this is just the beginning and Governors are committed to supporting and expanding this progress to ensure that Bayards Hill goes from strength to strength.

Best wishes
