Update from Mr Griffiths

Back to school

We are looking forward to welcoming all pupils back to school from Monday 8th March to continue their learning on-site rather than remotely. We are currently working through the latest guidance to schools and making our plans and preparations for this return of pupils. We will be issuing separate communications over the next few days to help everyone feel prepared.

Dates for Your Diary

03

Until the 8th March, most pupils will continue learning remotely, please ensure that your children actively engage in this learning. It is vital that they do not miss out key parts of their learning. Thank you to all the parents/carers who have and continue to support their children learning at home. I'm sure you have found it interesting to see in greater detail what your child is learning. I'm sure it has been enjoyable to talk about the lessons and topics in more detail away from a screen and encourage your child to have a love of learning and school.
