Dear Parents/Carers

I am writing to clarify the position regarding critical workers in school following some questions to the school office in regard to part-time places.

Should children of critical workers only require their place in school part time please let us know.

Please be advised that due to the way in which we staff and deliver remote learning and in school learning, the remote education is one day behind the in school learning. This will mean that pupils who have part time in school learning and part time remote learning may over learn some elements of the learning.

Yours sincerely

Mr Eaglestone
Deputy Head teacher
