Year 4 Science Oxford Trip – Tuesday 19th October 2021

Dear Parents/Guardians,

We are excited to announce another curriculum-enriching trip - Year 4 will be visiting Science Oxford, in Headington Quarry on Tuesday the 19th of October. The trip is an exciting opportunity linked to the Science Curriculum. The children will be exploring and taking part in the following:

- The Exploration Zone
- Circuit Detective Workshop
- The fantastic Science Surprises Show

Timings

We will be leaving Bayards Hill Primary School at 09:15 prompt.

Please make sure children are not late, otherwise they will miss the trip.

We will be walking to and from the Science Oxford site in Headington Quarry – this takes approximately thirty minutes. We will arrive back at school at approximately 2:35pm: children can be collected at the usual pickup time.

Costs

There is no cost to this trip: it is FREE.

What should my child bring?

We will be walking to the site so ALL children should bring a COAT/waterproof in case of rain.

We will be offsite all day, so children should bring a packed lunch and bottled water, or order from school in advance.

Permission

Please consent on Arbor by Friday 8th October if you would like your child to go on the trip.

Please advise the office by Friday 8th October if you would like your child to have a school packed lunch.

Thank you,

Mr Davis, Mrs Bohm, Miss Watkins Y4 Team
